Who we are

The Bible Society of South Africa was founded in 1820, and it has been giving hope to South Africans through the Bible for the last 200 years.

It is the task of the Bible Society of South Africa to provide affordable Bibles for everyone in their own language and in suitable formats so that all may experience the life-giving message of the Word.

As a non-profit company, the Bible Society relies substantially on the support of its donors, some who raise funds in a number of ways, to support Bible distribution.

As an organisation we want to help our loyal supporters with their fundraising endeavours in any way we can. Here are just some suggestions of how to raise funds for Bibles:

Plastic containers

- Can be filled with either R2 or R5 coins
- An easy way to raise funds quickly and effectively
- Suitable for all ages
- Ideal to hand out to individuals at schools, Sunday schools and church meetings
- Filled containers can either be collected by Bible Society staff or funds can be transferred electronically.

Note tubes

- Environmentally friendly cardboard tubes with an insert showcasing a Bible Society project
- Cash notes to be rolled up and inserted into the tube

- Ideal to circulate at meetings, conferences or church offerings where tubes can immediately be collected again.

Activities for Bibles

Events

- Gala dinners, Bible-themed meals, etc. are very popular fundraising activities
- These events generate funds but also help to build relationships with new donors in a relaxed setting.

Other initiatives

- Bible-reading marathons
- handwritten Bibles
- pancakes and jaffle bakes
- 'potjiekos' competitions
- choral festivals
- concerts

Active4Bibles

- This is a fun and sporty way to raise funds for Bibles
- Sport enthusiasts get sponsorships and donations by walking, running, cycling, swimming, playing golf or doing any kind of sports activity that can raise funds.
